

THE BEDOUIN TECHNICAL SPECIFICATIONS

The Bedouin is a large tensile structure, able to accommodate up to 80 people seated. When open on one side the Bedouin provides an excellent vintage point for all occasions.

The translucent natural polyester fabric provides a light fresh interior.

Measuring 26' x 38' (7.92 x 11.58M)

Aluminium poles support the Bedouin Tent

This is a striking alternative to a traditional marquee
